Message from ALT

ALTのカーリー先生から、日々英語学習に一生懸命取り組んでいる越ヶ浜中の生徒の皆さんへのメッセージです。英語学習の意味も込めて、英文を読んでみましょう。

The second trimester has already begun! Fall is here and it is beginning to cool down. Are you staying warm at night? Be sure to take care of yourselves!

From the beginning of the school year until now, you have increased your English skills so much! You have practiced talking about many different things, and I am so impressed by the progress you have made! English is a hard language to learn, but you know so much! You can read and write about many topics, and you can speak English very well!

Learning a new language is difficult, and it can be scary sometimes. It's easy to become afraid to speak--believe me, I have experienced it too while learning Japanese. But here in class, there is no need to be afraid! We are working together to help each other succeed, and us teachers care about you and want to help you as much as we can. It's okay to make mistakes! When you learn a new language, you have to try--and even make mistakes--so that you can learn and grow. Our mistakes teach us important lessons, so don't let it bring you down!

You are wonderful, and I am so proud of your progress! I hope that learning English will give you wonderful opportunities and experiences in your future! Let's continue to enjoy English class together!
